

Free Suzuki maintenance clinic

If you have a Suzuki outboard and would like some free maintenance service on it, take it to Equipos del Rio this Saturday, March 9 for their one day Suzuki maintenance clinic. All labor will be at no charge. However, you will be charged for any lubricants or parts, if needed. And it doesn't matter where you bought your Suzuki. If it's a Suzuki, they'll do the maintenance on it. And, if you happen to have a Husqvarna chain saw on board, there'll be a similar free maintenance clinic on March 22. Equipos del Lago is located across the street from BanRural in the concrete mall, next to Sistemas Solaris and across the way from Comercial W&L. Managing the store is Lidia with her friendly assistant Ariel. Phone 7930-5675 or email equiposdelrio@yahoo.com. While you're there, check out the new selection of products at Equipos del Rio. They stock a wide variety of pump impellers, NGK spark plugs, propellers, bilge pumps, fuel filters, grease gun cartridges, life jackets, spearguns, life rings, and foul weather gear. They're also a dealer for Igloo ice chests, Honda and Suzuki outboards, Interstate and Bosch batteries, Zerex antifreeze, Suzuki motorcycles, and Perko hardware. There's a variety of pressure washers, weed eaters, docklines, fish hooks and line, lubricants like WD40 and 3 in one Oil, 2 cycle and 4 cycle engine oil. And there's a good selection of fiberglass cloth, mat and resins. Equipos del Rio is open from 8 a.m. to 5:30 p.m. Monday through Friday and from 8 a.m. to 1 p.m. on Saturday. Closed Sundays.
