

## Wild Orchid Residences Open House Oct. 18 & 20

The public is invited to two open house sessions of Wild Orchid Residences in Placencia, Belize. The first open house will be Friday Oct. 18 from 5 p.m. to 8 p.m. followed by a second open house on Sunday, Oct. 20 from 1 p.m. to 5 p.m. Tom Hitchcock, Project Supervisor of Wild Orchid Residences, said "Join us on our Marina Villa show home rooftop to experience the combination of elegant design, luxuriously, spacious homes with uncompromising quality, see how we are redefining luxury in Belize." Located on one of the most beautiful properties in Belize, our villas are built using sustainable materials, treading lightly on the breath-taking environment we have made our home. Hitchcock says Wild Orchid Marina is a unique opportunity for discerning buyers who are looking for a tropical destination and luxury property that offers all the modern conveniences and facilities of a world-class development. Wild Orchid Marina has created two options: Marina Villas and Marina Homes. All marina villas come with a private berth for your pleasure craft. The modern design of both Villas and Homes interprets the Caribbean lifestyle and landscape.

"Our design team has thoughtfully anticipated our owners' requirements for residing in Belize and what it offers as a life choice. Our spacious exclusive Marina Villas feature private infinity pools and rooftop terraces. Our luxury Marina Homes feature lush gardens landscaped with indigenous plants, floor-to-ceiling windows and lagoon or marina views," Hitchcock noted. Signature Touches:
