

Transcargo offers door-to-door service

Transcargo of Guatemala announces door-to-door delivery for boaters' needs in the Rio Dulce.

Jose Guzman, owner of Transcargo in Guatemala City, said they now offer a guaranteed weekly consolidated cargo service from Miami.

"We handle all of the customs requirements, paperwork and out and in transportation," he explained.

Guzman specializes in boat parts and boat supplies.

Contact him for specific needs.

He speaks excellent English and is knowledgeable about sailboats, power boats and offshore fishing boats.

Boaters can order parts from West Marine, Port Supply, Lewis Supply and well as many other suppliers and arrange them to be shipped via Transcargo.

Depending upon your requirements, shipments can be made directly to your marina and to your boat, Guzman noted.
